APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source.

It is understood that accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.20 of a cubic foot per second.

Actual construction work shall begin on or before February 1, 1942

Proof of commencement of work shall be filed before March 1, 1942

Work must be prosecuted with reasonable diligence and be completed on or before February 1, 1944

Proof of completion of work shall be filed before March 1, 1944

Application of water to beneficial use shall be made on or before February 1, 1945. Proof of the application of water to beneficial

use must be filed with State Engineer on or before March 1, 1945

Map Filed MAR 12 1941

Proof of commencement of work filed OCT 6 1941

Proof of completion of work filed OCT 6 1941

Proof of Beneficial use filed MAR 19 1945
